rants here use only band-power. The ordinary glass carafe is filled with water and put in a pail of broken ice and turned until it is thoroughly chilled. Salt is then added to the ice, and the process is continued until it is the process is continued until it is the results of as as becam the results of his daughter. Annie E. Turner, aged six ing around as far as becam the results of his daughter. Annie E. Turner, aged six ing around as far as becam the results of his process.

For many years the inhabitants of Pimlleo and Belgravia have observed a remarkthe particular personage talguestion which commanded a good deal of respect. A tall, thin figure, a high and narrow forehead, a graceful and even majestic personal bearnre it was easy to trace in that shapely nose, oval face, and peaked forehead, the lineaments of a kingly line famous in English annals; for this was none other than Colonel Osborne-early in his century, but bis sire before him, and the way in which His title was Count of Albany, borne, too bis descent is traced from the ancient reign-ing-house is simple, if not completely trust-arm-chair in the back parlor reading, and worthy. The deceased nobleman himself always upbeld-though it need hardly be him, and sitting at the same table, was the said in a peaceful and unobtrusive manner-

and chivalrous lodger in Pimlico, who has just died in his eighty-second year, could hoast but four generations of year, could hoast but four generations of boast but four generations off an ancestor who had wielded the sceptre and worn the crown of Great Britain. The uncertain link I don't know whether I will require another in the pedigree is with regard to his father, one." Question: "When were you first James Stuart, Count of Albany. Was he, indeed, the son of the Young Pretender or not? Be it remembered he saw the light so lately as 1773, and the hapless Young Prelately 1 had scarcenot? Be it remembered he saw on a pre-lately as 1773, and the hapless Young Pre-tender by that time was fifty-three years old. Ity any use of my legs, arms, or hands for months. My fingers were grawn up so for months. My fingers were grawn up so sances of great mystery, and was at once smuggled off in the charge of Admiral Allan in order to protect him from supposed, plots against his life on the part of the English Government. The child grew up to be a man, and was in due course informed of his being the son of the vanquished hero of Culloden, but presumably he took no active steps to assert his very doubtful rights to the English throne, and settled down inthe English throne, and settled down instead into a quiet resident abroad. His
eldest son expired without issue, but the
younger—he who has just died—has left
several children, all grown up now, so

might suggest making fan of the eccentric
individual, but there was something above. ndividual, but there was something about of the article. In fact some of these stories ports were to be published. I do not know, were apparently so exaggerated that I would however, that a speech has ever been actu go and tell that to the marines."

stepped straignt out of the pages of some romance and novel on to the London flags.

To those well versed in historical portrait of the unit of the pages of the person who was assome of the American burseques, but it of the pages of the person who was assome of the American burseques, but it is the page of the person who was assome of the American burseques, but it is the page of the person who was assome of the American burseques, but it is the page of the person who was assome of the American burseques, but it is the page of the person who was assome of the American burseques and the page of the person who was assome of the page of the person who was assome of the page of the person who was assome of the page of the person who was assome of the page of the person who was assome of the page of the person who was assome of the page of the person who was assome of the person who was as some of the person who was assome of the person who was assome of the person who was as some of the person who was a perso cured was mentioned in my presence, and I then discovered it was a personal acquaint-purports to be, a verbatim report):

Now, here was a chance to find out whe-

Twenty-five years ago the Major was netively connected with the military of Pitts- him-hum-at his-ha-word, they havepoverty, and the last years of his life were spent in rather straitened circumstances in his sent Balary was reduced to comparative burgh, where he received the bandle to his name, and it has adhered to him ever since. He is a man of great adjudity of disposition. ent in rather straitened circumstances in Scuth Belgravian chambers. This beir Kind, social, and genial, bodily suffering of the romanic post has just ended his correct in a very sudden manner, having died on board a French steamer coming from ment. I knew the Major had been afflicted Biarritz to Bordeaux on Christmas eve. with rheumatism, but did not know that his

I reached his residence directly after

arm-chair in the back parlor reading, and in another arm-chair directly opposite to matron who had been his companion through life, and who, with speciacles perched on nose, was engaged in sewing or knitting. I apologized for my intrusion and came at once to the subject I was most interested in, and said: "Major, I hear that you have been suffering terribly with loden, was himself the direct grandson of King James II., who actually sat upon the English throne until forced to fice on the arrival of William of Orange in Tor bay.

In that you have been suffering territory with the typical specific production of the true of St. Jacobs Oil; now, is that true or not?" Answer: "It is true, most decidedly. I was completely is true, most decidedly. I was completely tion: "How much of the Oil did you use?"
Answer: "Well, I have not quite finished one bottle yet, but I am so much better that younger—he who has just died—has left several children, all grown up now, so that the Stuart line cannot be said to be extinct, supposing it to be granted that the deceased gentleman was a veritable scion of that family.

In three-quarter write with freedom, and feel first-rate and write with freedom, and feel first-rate and over, and St. Jacobs Oil did it all for me." Question: "You advocate the Oil, then?" Answer: "I think from my own experience that St. Jacobs Oil is the best remedy that family.

At this juncture Mrs. Hillier, who had been a quiet listener, remarked, "Why, we paid one doctor's bill alone of over eighty Rev. Amos Snockiey, an aged minister of the Methodist Episcopal Church, residing near Hillsville, Carroll county, died on Tuesday morning of last week of cancer of the face.

Reuben Johnston, an old citizen of Alexandria, a printer by trade, is dead; aged seventy-two. He was for two terms a member of the Legislature, and was a prominent Mason, and had long been identified with public affairs.

The Grundy Vidette reports the killing in Bochanan county of a bear which weighed 800 pounds. He was a ferocious beast, and was chased from Kentucky to Virginia.

Jacobs Oil," and would recommend it whenever he heard of a case of rheumatism. I then asked, "How did you learn about St. Jacobs Oil?" Answer: "A friend of mine, Mr. Bernard Smedley, who keeps a drugstore at the southeast corner of Twenty-first and Vine streets, had used it for rheumatism in his knee, and he told me about it. I am very thankful to him for doing so." Then I said, "What does the Oil look like?" (Not being a rheumatic myself. I had really never seen a bottle of St. Jacobs Oil, or any other remedy for rheumatism.) The Major said, "Weil. I'll show you." and he tripped lightly up stairs to bring his bottle down.

While he was gone I said to Mrs. Hillier.

to bring his bottle down.

While he was gone I said to Mrs. Hillier,

"Are you troubled with rheumatism?"

She replied: "On, yes; I've had chronic theumatism for thirty years. I have been compelled to use crutches for many years."

Question: "Do you get no relief?" Answer: "The doctors never did me any good, but I tried some of my husband's bottle of St. Jacobs Oil, and I am satisfied it is an excellent thing, and I intend to continue it."

Oil there for another rub if I require it."

It is scarcely necessary to multiply cases of rheumatic cures in this connection. although I have investigated several, but I

After experimenting properly, he fields commenced using "St. Jacobs Oil," a few his most sanguage expectations realized, days since. Mr. Turner, in the presence of his wife, informed me that she had been a terrible sufferer. Both of her legs had swollen almost to elephantine proportions. and her pain was so great that she had seven bors by asking a minimum price to those spasms night after night. A physician who wish to benefit themselves by the use of his article. B comes along and A makes had been attending her, but her case was spasms night after night. A physician whose skill stands unquestioned by any one him fully acquainted with the nature and such a peculiarly obstinate and exceptional

(From the Gan leman's Magazine.)
"We have had in England," writes Mr day that metropolitan youngsters have the chance of seeing what used to be called a stylish-looking gentleman, of distinctly forstylish-looking gentleman, of distinctly forof rheumatism through the measum of "St. turn my back to the relators and say, "Oh, ally reproduced precisely as delivered until go and tell that to the marines." araceful and even majestic personal bearing, belonged to this much-decorated and gluttering cavalier, who seemed to have stepped straignt out of the pages of some

"The reporters-ought not to-the relish annals; for this was none other than Charles Edward Stuart, a direct descendant, as he claimed, of the Young and Old Pretenders, of James II., of Charles I., and of that Robert of Scotland who succeeded the royal line of Bruce more than 500 years ago. A truly tomantic life, at least in its beginning, belonged to this relic of the unfortunate Stuart dynasty. He was arrayed against us at Waterloo, and there had the good or ill luck to receive the cross of the Legion of Honor from the bands of the great Napoleon for bis marked bravery on the field. He married a daughter of the aristocratic house of Beersford—a Mis.

The name of the gertleman is Major T. A. Hillier, and he resides at No. 2235 Massave is reported sometimes, no one—nobody can fell—no one can understand from the relication of the gertleman is a very prominent real estate agent and collector, and is well known in the business part of Philadelphia, and he is a regular visitor at several of the newspaper offices. He is sevently seven years of age, and his snowy-white beard and moustache and long flowing hair give nim quite a patriarchal appearance.

Twenty-five years ago the Major was active of the member thinks of interest—is reported. I can't compliment the reporters. It can bardly be denied that by taking him—hum—at his—ha—word, they have—

Nerenade.

Awake, beloved! it is the hour When earth is fairyland.
The moon looks from her cloudy bow'r The sea sob- on the sand Our steps shall be by the dreamleg sea.
And our thoughts shall wanter far To the happy clime of a future time, In a new-created star!

Arise, my fair! a strange new wind Comes kindly down from Heaven; Its fine is round my for head bind A chaplet ange! given. Falsing to these if dawns to be. And the buds that yet shall blow. In the basesy clime of a future time Which only the ange's know!

If she's got to task stong, a Boston girl will retine and beautify it. The proper caper becomes the appropriate gyration; bang up is front hair elevated; tumbling to the racket is falling to the audible disturbance, and a square deal a quadrilateral distribution.
